Cautionary Statement with Respect to Forward-Looking Statements

Information contained in this presentation is intended solely for your reference. Such information is subject to change without notice, its accuracy is not guaranteed and it may not contain all material information concerning the Company. We do not make representation regarding, and assumes no responsibility or liability for, the accuracy or completeness of, or any errors or omissions in, any information contained herein.

Statements or comments made during this presentation that are not historical facts are forward-looking statements that reflect our plans and expectations. These forward-looking statements involve known and unknown risks, uncertainties, and other factors that may cause our actual results, performance, or achievements to differ materially from that anticipated in these statements.

These factors include (i) changes in economic conditions, currency exchange rates, the laws, regulations, government policies, or political instability in the market place, (ii) circumstances relating to our ability to introduce, in a timely manner, and achieve market acceptance of new products, and (iii) shortage of fuel or interruptions in transportation systems, labor strikes, work stoppages, or other interruptions to or difficulties in the employment of labor in the major markets where we purchase materials, components, and supplies for the production of our products or where our products are produced, distributed, or sold.
