Dear Shareholders

PART I : PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES ("PROPOSED SHARE BUY-BACK")

PART II : PROPOSED SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE ("PROPOSED SHAREHOLDERS' MANDATE")

1. INTRODUCTION

At the Company's 46th AGM held on 24 May 2018, the shareholders gave approval for:

- (a) the Directors to purchase and/or hold up to 10% of the total number of issued shares of the Company; and
- (b) the Company and its subsidiaries to enter into Recurrent Related Party Transactions.

The above approvals shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM unless fresh approvals are obtained.

On 25 February 2019, the Company announced to Bursa Malaysia that it would seek approval from its shareholders for the Proposed Share Buy-Back and Proposed Shareholders' Mandate at the forthcoming AGM of the Company.

The Proposed Share Buy-Back and Proposed Shareholders' Mandate would become effective immediately upon the passing of the proposed resolutions and will expire at the conclusion of the next AGM of the Company unless the authority and mandate are further renewed by resolutions passed at a general meeting (either unconditionally or subject to conditions) or upon the expiration of the period within which the next AGM is required by law to be held, or if revoked or varied by ordinary resolutions of the shareholders of the Company in a general meeting, whichever occurs first.

The purpose of this Circular is to provide you with information on the Proposals and to seek your approval for the proposed resolutions to be tabled at the forthcoming AGM of the Company.

2. PART I: PROPOSED SHARE BUY-BACK

2.1 DETAILS OF THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back will allow the Board to exercise the power of the Company to purchase and/or hold its own shares on Bursa Malaysia up to 10% of its total number of issued shares at any point in time during the authorised period (as explained below), subject to the provisions of Section 127 of the Act and regulations thereunder, the Listing Requirements, the Company's Constitution and any prevailing laws, regulations, rules, orders, guidelines and requirements of any relevant authorities (as may be amended, modified or re-enacted from time to time) at the time of purchase(s). The Proposed Share Buy-Back will be executed through Bursa Malaysia via TCMH's appointed stockbrokers.

The authorised period for the Proposed Share Buy-Back, if approved at the forthcoming AGM, shall be effective immediately upon the passing of the ordinary resolution pertaining to the Proposed Share Buy-Back at the forthcoming AGM and shall continue to be in force until:

- (i) the conclusion of the next AGM of the Company at which time the authority shall lapse unless by an ordinary resolution passed at a general meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM is required by law to be held; or
- (iii) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first.

The Company may retain the shares purchased as treasury shares or cancel the shares or both, depending on the capital requirements of the Company at that point in time. Where the Company retains the purchased shares as treasury shares, the Directors of the Company may:

- (a) distribute the shares as share dividends to shareholders;
- (b) resell the shares through Bursa Malaysia in accordance with the rules of Bursa Malaysia;
- (c) transfer the shares for the purposes of or under an employees' share scheme;
- (d) transfer the shares as purchase consideration;
- (e) cancel the shares; or
- (f) sell, transfer or otherwise use the shares for such other purposes as permitted by the Act.

Appropriate announcement(s) and notification(s) will be made to Bursa Malaysia and the relevant authorities in respect of the Board's decision on the treatment of the TCMH Shares bought back in compliance with the Listing Requirements and the Act.

While the purchased shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in any other distributions, whether cash or otherwise, of the Company's assets (including any distribution of assets upon winding up of the Company) will be suspended. The treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

2.2 QUANTUM, FUNDING AND PRICING

The actual number of TCMH Shares which may be purchased and the timing of the purchase(s) will depend on, inter alia, market conditions, the availability of retained earnings and financial resources of the Company as well as Bursa Malaysia's requirement to maintain the necessary shareholding spread and the minimum total number of issued shares.

The Proposed Share Buy-Back will be financed through internally generated funds and shall be made out of the retained earnings of the Company. The maximum amount of funds to be allocated for the Proposed Share Buy-Back will be subject to the retained earnings of the Company. Based on the latest audited financial statements of the Company as at 31 December 2018, the retained earnings were RM956,927,000.

Based on the total number of issued shares of TCMH less treasury shares as at 31 March 2019, the maximum number of TCMH Shares that may be purchased amounts to 47,860,000 shares. Based on the weighted average market price for the five (5) market days up to 18 April 2019 (being the latest practicable date prior to the printing of this Circular) of RM1.60 per share, the maximum purchase cost would be about RM76.58 million.

The Board will be mindful of the interests of the Company and its shareholders when undertaking the Proposed Share Buy-Back and will assess the working capital needs of the TCMH Group prior to any purchase of TCMH shares.

2.3 REGULATORY REQUIREMENTS

In accordance with the Listing Requirements, the Company may only purchase the ordinary shares on Bursa Malaysia at a price which is not more than 15% above the weighted average market price for the five (5) market days immediately before the purchase. The Company may only resell/transfer treasury shares on Bursa Malaysia at:

- (a) a price which is not less than the weighted average market price for the shares for the five (5) market days immediately before the resale/transfer; or
- (b) discounted price of not more than 5% to the weighted average market price for the shares for the five (5) market days immediately before the resale/transfer provided that:
 - (i) the resale/transfer takes place not earlier than 30 days from the date of purchase; and
 - (ii) the resale/transfer price is not less than the cost of purchase of the shares being resold/transferred.

Based on the Listing Requirements, the Proposed Share Buy-Back is subject to, inter alia, the following:

- (a) the Company must not purchase its own shares on Bursa Malaysia if the purchase(s) will result in TCMH not complying with the public shareholding spread requirement of at least 25% of its total number of issued shares (excluding treasury shares) are in the hands of public shareholders;
- (b) the purchase price of shares and the subsequent resale price of treasury shares on Bursa Malaysia, as set out above;
- (c) the maximum funds to be utilised for the purchase of the Company's own shares cannot exceed the level of retained earnings of the Company;
- (d) the Proposed Share Buy-Back shall only be effected on the market of Bursa Malaysia. Consequently, the Proposed Share Buy-Back shall be transacted through appointed stockbrokers; and
- (e) the approval of the shareholders at the forthcoming AGM of the Company.

2.4 RATIONALE/POTENTIAL ADVANTAGES AND DISADVANTAGES

The Proposed Share Buy-Back will enable the Company to utilise its surplus financial resources to purchase its own shares. The Proposed Share Buy-Back is expected to stabilise the supply and demand as well as the prices of TCMH Shares. The Proposed Share Buy-Back may enhance the EPS and the shares purchased which are held as treasury shares may be realised with potential gain. In the event the treasury shares are distributed as share dividends, it will serve as a reward to the shareholders of the Company.

The potential advantages and disadvantages of the Proposed Share Buy-Back to the Company and its shareholders are as follows:

Potential Advantages

- (i) will allow the Company the flexibility in attaining its desired capital structure;
- (ii) will serve to reward the shareholders in the event the treasury shares are distributed as share dividends; and
- (iii) will allow the Company to utilise its surplus financial resources to purchase its own shares, hence, stabilise the supply and demand of TCMH Shares.

Potential Disadvantages

- (i) the Proposed Share Buy-Back will reduce the financial resources of the TCMH Group and may result in the TCMH Group forgoing better investment opportunities that may emerge in the future; and
- (ii) as the Proposed Share Buy-Back can only be made out of retained earnings of the Company, it may result in the reduction of financial resources available for distribution to shareholders of the Company in the immediate future.

2.5 PURCHASE, CANCELLATION AND RE-SALE/TRANSFER IN THE PREVIOUS 12 MONTHS

TCMH had bought back 1,000 of its own shares in the preceding 12 months ended 31 March 2019. Details of the shares bought back and currently held as treasury shares are as follows:

Date	No. of shares bought back and held as treasury shares	Highest price paid per share (RM)	Lowest price paid per share (RM)	Average price paid per share (RM)	Total Consideration Paid (RM)
24/05/2018	1,000	1.77	1.77	1.77	1,812.97

The total number of shares bought back as at 31 March 2019 was 19,340,000. TCMH did not cancel or re-sell/transfer any of its treasury shares during the same period.

As at the date of this Circular, the Company has not decided on the action to be taken on the TCMH Shares purchased. The decision will be made by the Board at the appropriate time.

2.6 EFFECTS OF THE PROPOSED SHARE BUY-BACK

Based on the assumption that the Proposed Share Buy-Back is carried out in full and the shares so purchased are cancelled or alternatively retained as treasury shares or both, the effects of the Proposed Share Buy-Back on the total number of issued shares, NA, working capital, earnings, dividends and substantial shareholders' and Directors' shareholdings as well as the implications relating to the Code are as set out below:

(a) Total Number of Issued Shares

In the event that the maximum number of shares authorised under the Proposed Share Buy-Back are purchased and cancelled, the total number of issued shares of TCMH as at 31 March 2019 will be as follows:

	<u>No. of Shares</u>
Total number of issued shares	672,000,000
Purchased and held as treasury shares as at 31 March 2019	(19,340,000)
Proposed Share Buy-Back if the maximum no. of shares are purchased	(47,860,000)
Resultant total number of issued shares, if the treasury shares are cancelled	604,800,000

However, if all the TCMH Shares purchased are retained as treasury shares, the shares repurchase would not have any effect on the total number of issued shares of TCMH, although substantially all rights attached to the shares held as treasury shares would be suspended.

(b) NA

The effect of the Proposed Share Buy-Back on the NA per share of the TCMH Group is dependent on the purchase price of the TCMH Shares as follows:

- (i) If all the purchased TCMH Shares are cancelled and the purchase price of the TCMH Shares exceeds the NA per share of the TCMH Group, the NA per share of the TCMH Group will decrease.
- (ii) Conversely, if all the purchased TCMH Shares are cancelled and the purchase price of the TCMH Shares is below the NA per share of the TCMH Group, the NA per share of the TCMH Group will increase.
- (iii) If the purchased shares are treated as treasury shares and subsequently resold/transferred on the Bursa Malaysia, the NA per share of the TCMH Group will increase if the Company realises a gain from the resale, and vice-versa. If the treasury shares are distributed as share dividends, the NA of the TCMH Group will decrease by the cost of the treasury shares.

Based on the audited financial statements for financial year ended 31 December 2018, the NA per share of the TCMH Group is RM4.35.

(c) Working Capital

The Proposed Share Buy-Back is likely to reduce the working capital of the TCMH Group, the quantum of which depends on, amongst others, the number of shares purchased and the purchase price of the shares. The cash flow of the TCMH Group will be reduced relatively to the number of shares eventually purchased and the purchase prices of the shares.

However, if the purchased shares are treated as treasury shares and subsequently resold/transferred on the Bursa Malaysia, the working capital and cash flow of the TCMH Group will increase should the Company realise a gain from the resale/transfer. Again, the quantum of the increase in the working capital and cash flow will depend on the actual selling price of the treasury shares and the number of treasury shares resold/transferred.

(d) Earnings

The effect of the Proposed Share Buy-Back on the EPS of TCMH is dependent on the number of TCMH Shares purchased and the purchase price(s) of the TCMH Shares, wherein the amount spent would no longer be available to generate interest savings and/or for alternative investment income to the Company. The effective reduction in the number of TCMH Shares applied in the computation of the consolidated EPS arising from the Proposed Share Buy-Back will generally, all else being equal, have a positive impact on the TCMH Group's EPS.

In the event that the shares purchased are treated as treasury shares and subsequently resold/transferred, the extent of the effect on the EPS of TCMH will depend on the number and price(s) of treasury shares resold/transferred, and the effect gain or interest saving arising therefrom.

(e) Dividends

The Company paid an interim single tier dividend of 2.0 sen per share in respect of the financial year ended 31 December 2018 on 28 September 2018.

The Board proposes that a final single tier dividend of 2.0 sen per share be paid in respect of the financial year ended 31 December 2018. The proposed dividend is subject to the shareholders' approval at the forthcoming AGM.

The Proposed Share Buy-Back is not expected to have a material impact on the rate of dividend to be declared and/or paid by TCMH for the financial year ending 31 December 2019, if any.

(f) Substantial Shareholders' and Directors' Shareholdings

The effects of the share repurchase on the shareholdings of substantial shareholders and Directors based on the Register of Substantial Shareholders and the Register of Directors' Shareholdings respectively as at 31 March 2019 are as follows:

	<-----No. of TCMH Shares held----->

If the Proposed Share Buy-Back results in the equity interest of TCC and persons acting in concert with it in TCMH to increase by more than 2% in any six (6) months period, pursuant to the Code, TCC and persons acting in concert with it may be obliged to undertake a mandatory offer for all the TCMH Shares not held by them collectively. However, a waiver to undertake a mandatory offer may be granted by the Securities Commission Malaysia under the Code, subject to the affected substantial shareholders and parties acting in concert complying with certain conditions.

None of the Directors, major shareholders and persons connected with the Directors and/or major shareholders of the Company has any interest, direct or indirect, in the Proposed Share Buy-Back or resale/transfer of treasury shares.

2.10 DIRECTORS' RECOMMENDATION

The Board is of the opinion that the Proposed Share Buy-Back is fair, reasonable and in the best interest of the Company and its shareholders and therefore recommends that you vote in favour of the ordinary resolution in relation to the Proposed Share Buy-Back to be tabled at the forthcoming AGM.

3. PART II : PROPOSED SHAREHOLDERS' MANDATE

TCMH is principally an investment holding company, while its subsidiaries are involved in the assembly and distribution of motor vehicles, provision of after-sales services, provision of financial services such as hire purchase financing, personal loans and insurance agency.

The Board wishes to seek approval of the shareholders of TCMH for the Proposed Shareholders' Mandate. It would enable the TCMH Group to enter into existing and new RRPT provided such transactions are in the ordinary course of business and undertaken at Arm's Length, on normal commercial terms of the TCMH Group which are not more favourable to the Related Parties than those generally available to the public (where applicable) and are not to the detriment of the minority shareholders. These include transactions such as those described in Section 3.2 of this Circular.

- (c) Issuance of a circular to shareholders by the listed issuer;
- (d) In a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested person connected with a Director or Major Shareholder; and where it involves the interest of a person connected with a Director or Major Shareholder, such Director or Major Shareholder must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him/her abstain from voting on the resolution approving the transactions; and
- (e) The listed issuer immediately announces to Bursa Malaysia when the actual value of a RRPT entered into by the listed issuer and its subsidiaries exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Malaysia in its announcement.

The estimated transaction value as set out in Appendix I - IV is based on the actual transaction value for the period from 24 May 2018 to 31 March 2019 and the projected business volume for the current period. The actual value of transactions may vary from the estimated value in the light of changing economic and competitive environment. Nevertheless, disclosures will be made in accordance with the LR in the Annual Report of the Company for the financial year ending 31 December 2019 of the actual aggregate value of transactions made pursuant to the Proposed Shareholders' Mandate during the said financial year.

The JV Co. is involved in the business of, amongst others, developing and sourcing of business opportunities in the USA and Canada including but not limited to areas of distribution, marketing and sales as well as new innovative products, technology and/or services which can be commercialised in other countries for both TCMH Group and WTCH Group.

3. MATERIAL LITIGATION

Saved as disclosed below, neither TCMH nor its subsidiaries as at 31 March 2019 are engaged in any material litigation, claims or arbitration either as plaintiff or defendant and the Board is not aware of any proceedings, pending or threatened, against TCMH or its subsidiaries or of any facts likely to give rise to any proceedings which might materially affect the position or business of TCMH or its subsidiaries:

(a) Counter claim from Narita Motorcare (Cambodia) Co. Ltd. (“Narita”), Mr. Long Narith and Ms. Pich Sokhom

On 26 April 2017, Narita filed a Motion to Add and Correct Complaint and a counter claim complaint to, amongst others, order ETCM (C) Pty Ltd (“ETCM (C)”) and Tan Chong Motor (Cambodia) Pty Ltd (“TCMC”) (both wholly-owned subsidiaries of TCMH) to pay damages and compensation of USD6,550,000 to Narita, USD200,000 each to Mr. Long Narith and Ms. Pich Sokhom. On 9 May 2017, ETCM (C) and TCMC jointly filed the defence to the Motion to Add and Correct Complaint and ordered Narita, Mr. Long Narith and Ms. Pich Sokhom to pay ETCM (C) and TCMC damages with approximately USD33,000,000 for actual losses and emotional damages. On 26 November 2017, the Court of First Instance in Phnom Penh has ruled in favour of ETCM (C) and TCMC which ordered Narita, Mr. Long Narith and Ms. Pich Sokhom to compensate ETCM (C) and TCMC approximately USD8,037,818 for actual losses and emotional damages. Subsequently, Narita, Mr. Long Narith and Ms. Pich Sokhom have filed an appeal with Court of Appeal against the decision made in November 2017.

On 2 May 2018, the Court of Appeal upheld the decision of the Court of First Instance in Phnom Penh which ruled in favour of ETCM (C) and TCMC but cancelled the damages to ETCM (C) and TCMC and instead ordered ETCM (C) and TCMC to pay USD329,208 to Narita, represented by Mr. Long Narith and Ms. Pich Sokhom (“COA’s Award”).

On 28 May 2018, solicitors for both ETCM (C) and TCMC have filed an appeal against COA’s Award at the Supreme Court.

ETCM (C) and TCMC are now awaiting for the Supreme Court to fix the hearing date.

The Directors are of the view that the financial impact of this matter is not foreseen to be substantial.

(b) Writ of Summons and Statement of Claim served on Tan Chong Industrial Equipment Sdn Bhd

On 15 August 2017, Tan Chong Industrial Equipment Sdn Bhd (“TCIE”) (a wholly-owned subsidiary of TCMH) received a sealed Writ of Summons dated 12 August 2017 and Statement of Claim dated 11 August 2017, a sealed copy of a Notice of Application for Injunction dated 12 August 2017 and supporting Affidavit dated 11 August 2017 (“the Action”) from the solicitors acting for Transnasional Express Sdn Bhd (“Transnasional”), Plusliner Sdn Bhd (“Plusliner”), Syarikat Kendaraan Melayu Kelantan Berhad (“SKMK”), Syarikat Rembau Tampin Sdn Bhd (“SRT”), Kendaraan Langkasuka Sdn Bhd (“Langkasuka”), Konsortium Transnasional Berhad (“KTB”) and MHSB Properties Sdn Bhd (“MHSB”) (collectively known as “Plaintiffs”).

TCIE had entered into a series of lease agreements with Transnasional, Plusliner and SKMK and a series of service maintenance agreements with Transnasional, Plusliner, SKMK, SRT and Langkasuka (collectively known as “Debtors”) for the lease and service maintenance of the vehicles. The Debtors were owing to TCIE outstanding rentals and service bills amounting to RM32,920,575 (“Debt”).

TCIE had negotiated with the Debtors on the settlement of the Debt on many occasions and after lengthy negotiations, the Debtors and KTB had mutually agreed to enter into a Settlement Agreement with TCIE on 4 July 2016 to settle the same by way of (i) repayment of the amount of RM16,920,575 in cash in several instalments; and (ii) transfer of a piece of land held under H.S.(D) 87546, PT No. 7929, Bandar Ampang, Daerah Ulu Langat, Negeri Selangor (“Land”).

owned by MHSB to TCIE for the settlement of the balance Debt of RM16,000,000 (“Balance Debt”) (“Settlement Agreement”).

However, the Debtors failed to make timely repayments of the Debt in accordance with the Settlement Agreement. Hence, TCIE had exercised its contractual rights to repossess the vehicles leased to the Debtors.

Pursuant to the Action, the Plaintiffs are claiming that an injunction to restrain TCIE from entering into any dealing in relation to the Land and a declaration pertaining to the value of the Land of MHSB is RM55,600,000 and repayment of the sum of RM22,679,425.

On 4 January 2018, the High Court allowed TCIE’s application to strike out the Plaintiffs’ claim and dismissed the Plaintiffs’ injunction application with costs of RM5,000 (“High Court Striking Out Order”).

On 9 January 2018, the Plaintiffs filed an appeal with the Court of Appeal against the judgment of the High Court (“Plaintiff’s Appeal”).

During the final case management on 15 November 2018, the Court of Appeal, after hearing submissions of both parties, allowed the Plaintiff’s Appeal with no order as to costs and set aside the High Court Striking Out Order on 4 January 2018. The Court of Appeal further directed the case to be re-fixed for case management on 27 November 2018 in the High Court for a full trial.

On 13 December 2018, the Plaintiffs had withdrawn the Injunction Application with no order as to costs at the High Court of Malaya at Kuala Lumpur (“High Court”). The High Court has fixed the trial dates on 10 September 2019 to 13 September 2019, being the earliest dates available for trial. The High Court has further fixed that the next case management on 29 January 2019.

Hearing of case management for TCIE’s leave application to appeal to the Federal Court initially fixed on 20 March 2019 has been vacated and re-fixed on 13 May 2019.

The Directors are of the opinion that TCIE has reasonably good chance of succeeding in the court case in view that the Action is without any legal basis by the Plaintiff.
